I,

The Chief Secretary to the
Dewan of Mysore

Sir,

I have the honor to request that you will kindly obtain the sanction of the Dewan to the following arrangement with regard to applications for additional Arrack shops in any place.

2. When the Amildar of a Taluk is of opinion that another Arrack shop should be opened in a village, he should intimate this to the Deputy Commissioner of his District who, if he sees no prima facie objection, shall require the Special Assistant to report as to the actual consumption of liquor and the necessity for a new or additional shop. That Officer will be

After receipt of such information he will be able to see whether the rates require him to order any-

able to see whether the rates ~~justify the application~~. If not, the opening of another shop will only give room for fraud, as the amount to be made by the Retail vendors will be materially decreased.

2 - The opening of a new shop the need for which is not indicated by the sales in the next preceding year ought not materially to add to the profits of the old Retail vendors & this must also be borne in mind

3 - Although a ~~legal~~ control on

3. The object of Government is only to meet the actual requirements of the public and not to create any demand for liquor. Unless the establishment of new shops is controlled in this manner, that object will be defeated and consequently the public, Government and the Contractors will all suffer.

To

The Chief Secretary to the Dewan
of Mysore.

Sir,

Referring to Dewan's Proceedings No. 587 of 19th Ultimo, I have the honor to state that I regret a proviso was by oversight not made, that where owing to the sales being more than the existing shop or shops could supply, the Special Assistant, should bring this fact to the notice of the Deputy Commissioner of the District, who should then, unless there is any grave objection, order the shop to be opened.

2. It may also be necessary sometimes to open a 2nd Shop in a place to act as a check on the workings of the existing one, or where the Abkari Department suspects that

licit distillation or other fraudu-
ent practices prevail. This 2nd Shop
ay be confirmed and the former
ne cancelled, or both confirmed,
ccording to the results of the trial
hich will be reported in detail
the Deputy Commissioner by
he Special Assistant for orders.
